Dear Sir/Madam

RE: 2009 PRICE INCREASES

We have just been informed (14th September 2009), that our Lead Flashing Suppliers, due to raw material increases over the last few weeks have been forced to increase their prices by approximately 17%.

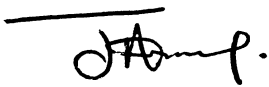

The increase will apply to all deliveries on or after 19th October 2009.

Price Lists will be made available shortly and will also be obtainable from our Website – www.fluepipes.com.
